THE BEST OF FRIENDS

The best of friends is how I'd describe it,
What you decide is my choice too.
The things you like are joys that I treasure,
Sharing the pleasure's what we do.

When we're together, time goes swiftly,
But the memories stay when we're apart.
You may think it's only a friendship,
So I'll confess that you're a friend of my heart.

THE BEST OF FRIENDS

Lyrics by Tess Garraway
Music by Paul Busby

It's great to find
People of like-mind
Going through life
A day at a time,

Sharing a laugh,
A pint and a half,
A shoulder to cry on
When the chips are down.

I can tell you
Stories...stories,
You're always there,
That's for sure.

I can call on you forever,
My Best Friend
Is what I call You.
